One Day Workshop

Sharing IDEAS & Activities that Work

Interested in starting an ESL Outreach? Join us for our one-day Fall Training event. This is a great opportunity to discover why this ministry is important for newcomers, our churches and our communities.

Find out what newcomers are looking for, learn the nuts and bolts of start up, examine how to conduct an ESL conversation class, and more.

The class will be tailored to the topics that most interest attendees and will move at the pace of the class.

Don't miss out on this fantastic event. **Register today!**
