What strategies are you using now to improve your mastery of English?

Our ESL classes are open to everyone regardless of religion or culture. These classes are made possible because of our understanding of God's unconditional love for each one of us. We learn of God's love most clearly in the Bible. It is shown most clearly in the life of Jesus Christ. The Bible has been important in our laws, art, and literature in the past. The teachers have found great strength, wisdom, and help in its pages so we would like to share some of it with you. It will be one of the reference texts provided by the sponsoring church.

Please feel free to talk with your teacher or the Director at any time if you have questions or concerns, or if you need someone to pray with. We would consider it an honour.
