

Why

Should I volunteer to help with my Church ESL Program?

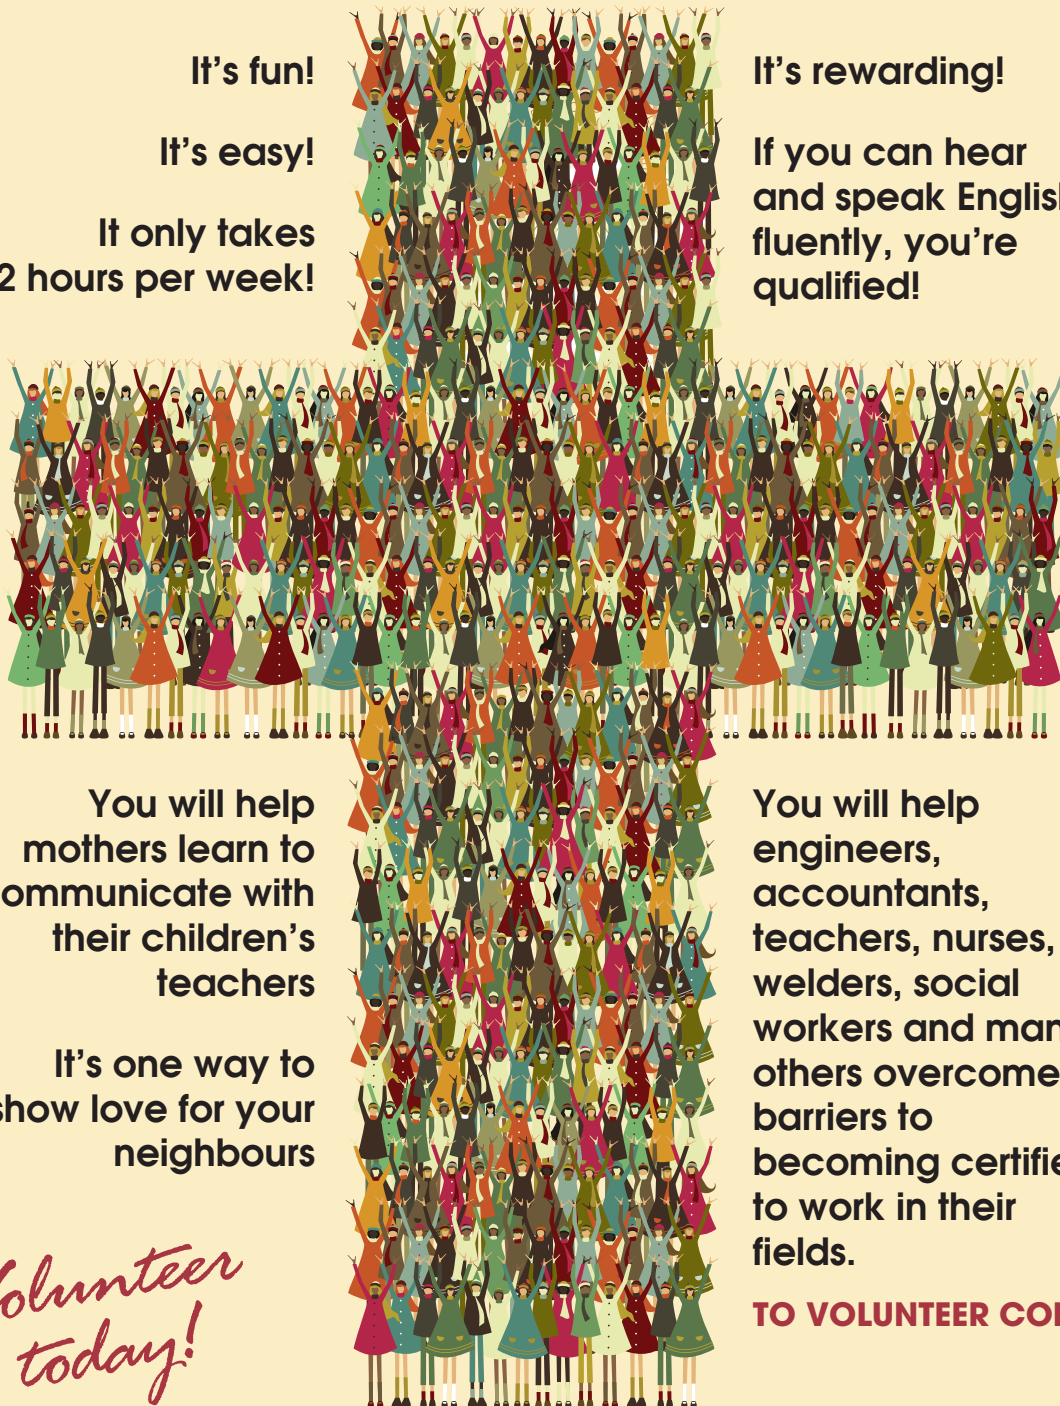

It's fun!

It's easy!

It only takes
2 hours per week!

It's rewarding!

If you can hear
and speak English
fluently, you're
qualified!

You will help
mothers learn to
communicate with
their children's
teachers

It's one way to
show love for your
neighbours

You will help
engineers,
accountants,
teachers, nurses,
welders, social
workers and many
others overcome
barriers to
becoming certified
to work in their
fields.
